

## DELAWARE ELECTRIC COOPERATIVE SOLAR INCENTIVES

Effective April 1, 2024

GRANT	Residential	Commercial
Price per watt	\$0.70/watt	\$0.70/watt
Maximum Amount	\$2,000	\$10,000

Grant funding is limited and is provided on a first-come first-serve basis. Part One of the grant application must be submitted by the contractor or system owner to reserve funding. Part Two of the grant application must be submitted after final interconnection approval and within six months of the Program Admin's verification of Part One. Failure to submit Part Two within the allotted timeframe may result in the application being canceled.

### NOTES:

- These incentives apply to Delaware Electric Cooperative (DEC) customers only.
- Grant applications are evaluated by site address, not electric meter.
- The system must be installed by an approved contractor.
- The grant amount is based on the eligible system size.
- The system owner must agree to transfer the ownership of their Solar Renewable Energy Credits (SRECs) to obtain the grant. Failure to agree to the transfer will result in dismissal of the grant.
